1 INTERNAL PRODUCTIVE PROCESS (VERTICAL INTEGRATION)

The 5 steps of the productive process are 100% managed by GP.

2 INVESTMENT IN MACHINERY

In the last 3 years, GP invested more than Euro 10,8 MLN in new machineries and facilities to improve the quality of the generators.

3 LARGE STOCK

GP has constantly more than 1.000 engine / alternator available in stock.

- . AVERAGE LEAD TIME: 2-3 weeks
- . AVERAGE VALUE OF THE STOCK: € 10.000.000

4 TAILOR-MADE SOLUTIONS

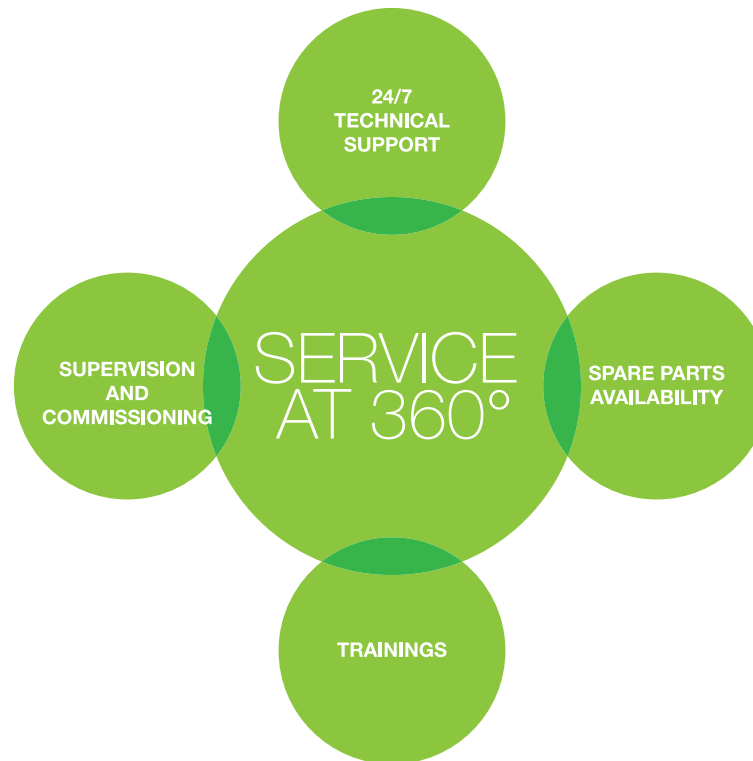

GP can be the right partner for customized projects and sophisticated solutions

- . Super silenced generators up to 55 DBA
- . Generators for the telecom application with 600 / 1000 lts fuel tank and remote control
- . Generators for the military sector
- . Generators with special doors due to space's constraint
- . Containerized generators
- . 2 generators in a single canopy
- . Hybrid solutions

5 AFTER SALES

GP follows the customers in all the phases of the post-sales

6 STAFF

All Green Power Staff, starting from the commercial and managing departments, to our technicians and logistic experts, has the prior objective of customer satisfaction. All your requests and inquiries will be evaluated with highest availability, professionalism, rapidity and politeness.

Technical pre- and after-sales support with multilingual availability 365 days a year.

Immediate price estimation for standard and no standard machines.

Highly specialized technical staff available for designing new installations and solutions and even for technical trainings directly at our company premises.
